## KRUPANIDHI COLLEGE OF PHARMACY

### FAST LEARNERS REPORT

The fast learners in a class were identified by the Subject experts/Class coordinators, based on the performance in University Examination of previous semester and internal examinations.

The following special activities conducted for fast learners:

1. Elaborative reference materials provided.
2. The teachers were innovative in facilitating course management.
3. Personality development classes conducted to improve the soft skills.
4. The students were made ready for the pharmaceutical industries by providing pre-placement sessions. The experts from the Pharmaceutical domain were invited as guest speakers to enlighten the students about the industry needs and to make them more competent.
5. Students were encouraged to actively participate in various national and international Seminars/Workshops/Conferences.
6. GPAT/PGCET coaching classes were taken by the subject experts.
7. The fast learners were given an opportunity to involve in research activities and encouraged for the publication in national and international journals.
