Academic year 2020-2021

MENTOR-MENTEE ALLOTMENT

Dear Colleagues

This is to bring to the notice all faculty that a strong mentoring system will come in force from the beginning of academic year. The given below are the list of the mentors for the current academic year

Roles of the mentors are specified below

- The mentor should perform the role and responsibility of “**friend, philosopher and guide**” in nurturing students for their overall development as competent pharmacy professionals & good human beings.
- The mentors will continue mentoring the allotted students during their entire period

Duties of mentors:

- To meet the students every fortnight
- To assess the aspirations and keep the details about a student's life & habit.
- To assess and guide the academic performance of the student
- To interact with concerned subject teachers/class teachers of mentees and seek his/her help to improve the mentee's academic performance
- To visit the homes & hostels of the students to monitor their way of living.
