Report Card and Certificate of Participation

This year for the first time, a new mechanism was created to provide feedback on performance to individual institutes. In view of the practical challenges in doing so uniformly for all institutes, an invitation was sent to institutes to register for this as a value-add service. As many as 38 institutes applied

for it and were given Certificates of Participation as well as report cards during the India-UK Higher Education Summit on 8 November which was held under the aegis of the India-UK TECH Summit in New Delhi.
