REPORT ON KERALA FLOOD RELIEF CAMPAIGN- AUGUST 2019

“The best way to not feel hopeless is to get up and do something” – Barack Obama

The August of 2018 saw a huge catastrophe hit many in the sister state Kerala as the continuous downpour, coupled with series of events, led to what was one of the worst Flood experienced in the history of the state. As humanity joint hands and stepped in to rigorously lift the state, we played our very own role in it.

The NSS unit of Krupanidhi Group of Institutions came together as one, acting as a binder to substantiate the efforts put by each individual in the institute. In four days of time, the students and staff from the institute were able to make collections in terms of food, clothing, basic amenities and medicines that were sent to the Idki district in Kerala with the help of selfless volunteers from Malyali Samanjh (Varthur) and Mount Carmel Church.

The NSS unit is grateful and proud of everyone involved in the cause. The humane efforts made, especially the student volunteers who relentlessly worked around to ensure we gathered materials of need and were able to systematically have them transported, is beyond any praise and gratitude. It is at times like these that we know we are filled with compassion and will continue to do so.

REPORT ON WORLD PHARMACIST'S DAY: POSTER COMPETITION – 25TH
SEPTEMBER 2019

As part of world pharmacist day 2018 celebration, krupanidhi college of pharmacy, organised a poster presentation session for pharmacy students of B. Pharmacy, PharmD, Diploma in Pharmacy on 25/09/2018.

The theme of the poster presentation was “ **Pharmacists : your medicines experts.**”

Through their posters, the students professionally and beautifully showcased their novel ideas on how pharmacists are the medicine experts for the public. More than 25 teams participated and the posters were displayed for the entire campus to view.

REPORT ON DAAN UTSAV- 6TH OCTOBER 2018

On 6th of October 2018, Krupanidhi College of Pharmacy observed 'The Joy of Giving Week', i.e., Daan Utsav 2018. The week is celebrated every year nationwide covering the day of Gandhi Jayanti and hence spans the duration of 2nd Oct – 8th Oct annually.

The main aim of the week is to inculcate into people the habit of giving not just in term of material but also time, skill as well as emotional availability for one another.

This year we took our first steps in the celebration and observed a day of bliss with the non-teaching staffs from our college. They are the backbone to the smooth running of any educational institute and we felt that not many occasions are there where in we get a chance to express our gratitude towards them.

On 6th of October, the NSS team organized a small "close-up" session between the teaching and the non-teaching staff where gratitude was exchanged and amazing moments were shared. Dr. Amit Kumar Das, Principal Krupanidhi College of Pharmacy, graced the occasion with Dr. Prakash V Mallya, Director CPPA and Mr. Narendra, College Registrar and expressed his heartfelt appreciation and honor upon the non-teaching members of the college. Juice, snacks and chocolates were distributed amongst the gathering and everyone had a big smile on their faces as they spoke of their yester years in the college. It was an idyllic Saturday afternoon for all.

REPORT ON WALK AGAINST DRUG ABUSE-10TH NOVEMBER 2018

The incidence of drug abuse among children and adolescents is higher than the general population. This is notably because youth is a time for experimentation and identity forming. In India an NGO revealed that 63.6% of patients coming in for treatment were introduced to drugs at a young age below 15 years. There are very few health centers that deal with child abuse problems, especially in the rural areas. The use of tobacco is another major concern among children.

To tackle the above issue a **walk against drug abuse** was organized by the **Ministry of Youth Empowerment and Sports, Government of Karnataka in association with Bangalore City Police** at St. Joseph's Indian High School ground opposite to UB city, Bengaluru.

180 students accompanied by the staff members from **Krupanidhi College of Pharmacy** participated in the walk against drug abuse to create awareness amongst the public of Bengaluru.

REPORT ON DIABETES SCREENING PROGRAMME- 14TH NOVEMBER 2018

On the occasion of World Diabetes Day 2018, themed "Diabetes and family", Krupanidhi College of Pharmacy organized a Diabetes Screening Program in Collaboration with Kshema Hospital in Kodathi Village as part of its Community service. Volunteers conducted a house to house Diabetes screening service for the public of Kodathi village.

The programme started at 7:30am and continued till 1:00pm. The GRBS and FBS of interested population was checked and documented in a profile form including their demographic details, past medical history, family history and last meal time. Diabetes information leaflets were distributed to public. Newly diagnosed and pre-diabetic patients were counseled on diet and life style modifications.

A total of 130 people were screened, out of which 26 were screened as diabetic based on elevated blood glucose levels. Among the 26 diabetics, 17 were known case and 9 were newly detected.

Volunteers counseled this population and convinced them to have a proper blood glucose test done both fasting and post-prandial blood sugar at least once in every 2 to 3 months.

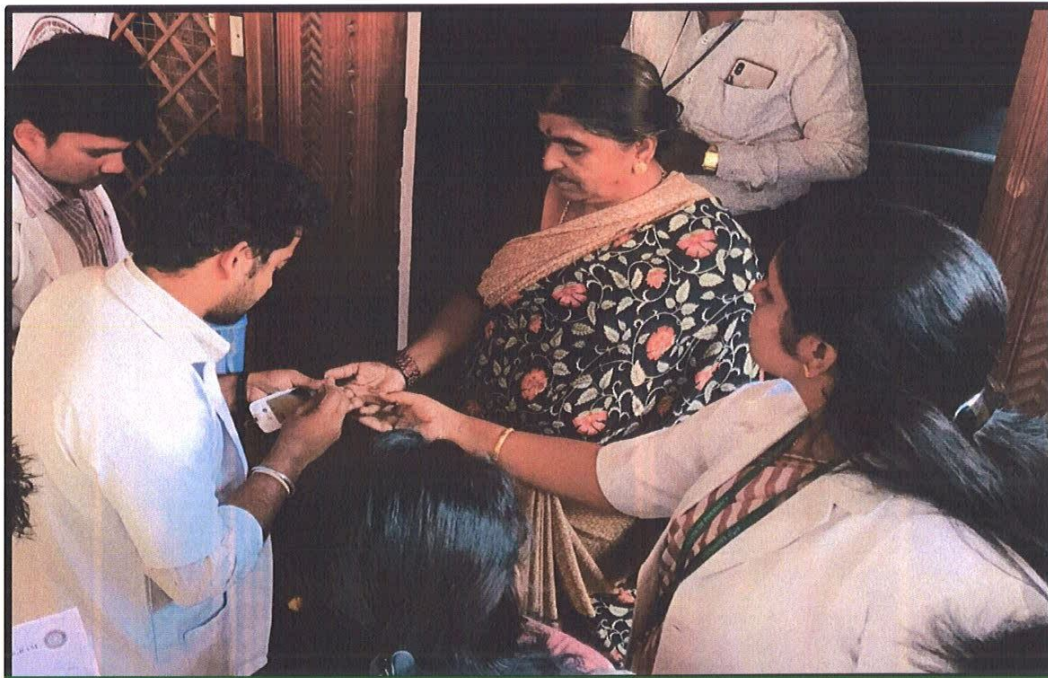

The awareness programme have added value to all the participants and has motivated them to move forward in future to benefit larger population.

REPORT ON AIDS AWARENESS PROGRAMME – 1ST DEC 2018

Venue: Krupanidhi College

“Raising AWARENESS, creating HOPE”

Like they say “*charity begins at home*”, we believe that “*education and awareness too begin at home*”. Hence, on 1st December 2018, Krupanidhi College of Pharmacy took up the responsibility of stirring awareness about HIV and AIDS amongst the staff and students of Krupanidhi Group of Institutions.

Since 1988, the World AIDS Day is observed on 1st of December each year in an effort to stand together in the fight against HIV and to support those living with it. Each year it is celebrated all over the world with great zeal and enthusiasm and this year was no different.

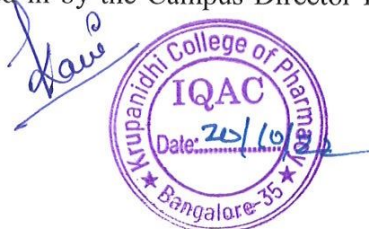

The theme for this year was “**Know Your Status**”.

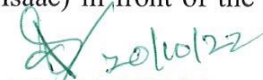

Although we know so much more about the condition now, social stigma and discrimination still remain a reality for those living with the condition. Health days like these are, hence, observed to remind the people that HIV still exists and we still have a long way to go.

The staffs and students were “**Pinned with the AIDS awareness symbol**” and informed about the need to propagate the message of “status check” and facts about HIV infection amongst the members in their society.

The non-teaching staff took time off to illustrate the awareness message in form a beautiful “**Rangoli**” which is an artistic representation of the message using coloured powders.

A **Silent march** was also held around the campus premises by the staffs and students of pharmacy block including Principal Dr. Amit Kumar Das, Dr. M. D. Karvekar, Prof. Prakash V Mallya and special guest for the day Mr. Jatish N Sheth, Managing Director of Srushti Pharmaceuticals. The march started from ground floor foyer of Pharmacy block and culminated into a gathering(which was joined in by the Campus Director Dr. Sam Paul Isaac) in front of the rangoli, outside the

PRINCIPAL
Krupanidhi College of Pharmacy

Varthur Hobli, Bangalore - 560 035

cafeteria after one full circle of the 11 acre campus. The marchers were silent but they held placards that spoke volumes on the topic for the spectators to see and soak in.

**REPORT ON AIDS DAY CULTURAL PROGRAM AT ORPHAN HOME VENUE:
SNEHA CARE HOME**

"SPREADING SMILES AT SNEHA CARE HOME"

On 1st of December 2018, the NSS team of Krupanidhi College of Pharmacy with its volunteers visited Sneha Care home, an orphanage which houses HIV infected children. The Ambedkarnagar branch visited by the team houses kids between 05-13 years of age. The main agenda of the visit was to spend some time with those special kids and smile a little brighter and laugh a little louder with them.

The two hours that we spent with the kids was magical. It was a very exceptional experience for the NSS team as they mingled with the kids singing, dancing and playing along with them. Surprise gifts and chocolates were distributed that made their eyes brighten and hearts lighten even more. There was so much to learn from these little angels and we imbibed as much as possible.

We left the Care Home with a decision to be back again. The kind of love that was showered upon could only make one more kind, more humble and more empathetic. We realized that the world needs those kids a little more than they need us.

VOLUNTEERS AT SNEHA CARE HOME

“Run to give HOPE”

As a support to the various World AIDS Day activities being conducted outside Krupanidhi Campus, the NSS team from Krupanidhi College of Pharmacy joined in to support “Sneha Run”, organized by **Sneha Care Home** on 2nd December 2018. the aim objective of the event was to raise awareness and some funds for the HIV infected kids housed at their center.

The run began at 7.00 am and the runners covered a total distance of 5 kilometers along Sarjapur road. They were provided with certificates of completion and breakfast by the organizers. There was also a live band to entertain the crowd.

The entire experience was exhilarating and the NSS team also got a chance to network with a lot of likeminded people from other sectors who were participants at the event. It was a run in “Hope” of better world for those little angels at Sneha Care Home.

**REPORT ON AIDS AWARENESS CAMPAIGN AT DEENS ACADEMY, ECC
CAMPUS- 3RD DEC 2018**

The first AIDS epidemic was reported in 1981; today, more than 3 decades later HIV and AIDS still remain as stigma in the society; social isolation and discrimination are cruel reality in the patients' lives.

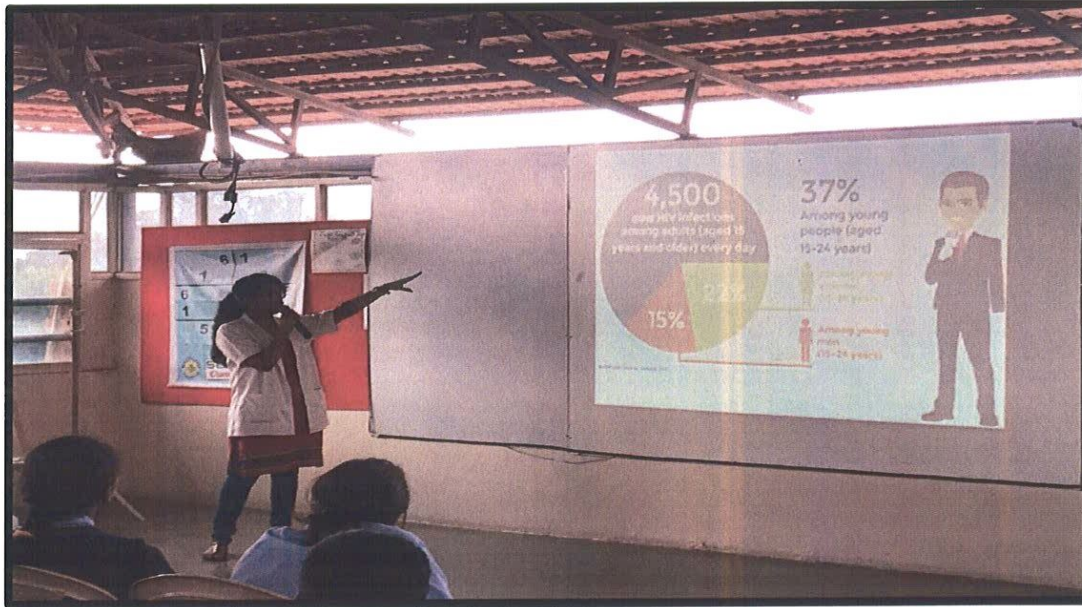

A report by UNAIDS states that worldwide about 4,500 new HIV cases are reported among young adults of age 15 years and above on a daily basis. Moreover, Young generation is our ray of hope for a better tomorrow. It is, hence, our duty as educationalists to ensure that we keep our youngsters updated on the various social issues and stigma that need to be banished from the society for the benefit of mankind. A team of staff and volunteers from Krupanidhi College of Pharmacy, therefore, decided to conduct AIDS awareness session at Deens Academy for the students of grade 9 and 10.

The session was held on 3rd of December 2018 in continuation with the vibes of World AIDS Day observance this year. Total of 200 students from 5 sections each of grade 9 and 10 attended the session. To keep the interest of the audience intact, the session was divided into educational play, a story narration and technical presentation. The students took active part in the Q/A segments that were tactfully placed in-between the sessions.

The Krupanidhi family extends a heartfelt gratitude to the management and faculty of Deens Academy for joining hands with us in this noble cause. The students at Deens Academy are shining stars already and it was a pleasure to interact with them.

**REPORT ON FREE EYE SIGHT CHECK UP CAMP IN ASSOCIATION
WITH TITAN EYE PLUS- 4TH DECEMBER 2018**

Our sight definitely makes up as one of the dominant senses based on our daily reliance on. A regular sight test is one of the most vital health check-up for eyes; it can help recognize early signs of eye conditions even before the warning symptoms show up. However, owing to the busy schedule and lack of awareness about the importance of regular sight check, many of us neglect our eye health until it starts to affect our daily activities. Keeping this in mind, **Krupanidhi College of Pharmacy collaborated with Titan Eye plus** to hold a free eye check up camp on 04-December-2018 for the teaching and non-teaching staffs working under Krupanidhi Group of Institutions

The camp was set up in the Seminar Hall of Krupanidhi College of Pharmacy. The team of optometrists from Titan Eye plus came with their equipments like perimetry device, computerized Snellen's chart; the campus staffs were tested for visual field, visual acuity along with refraction.

The team took the eye glass prescription details with them when needed so that they could supply the glasses to the ones who desired it to be taken from them at discounted rates. In any other case, the refraction test details were put up in a prescription card and handed over to the staff who wished to get the glasses from elsewhere.

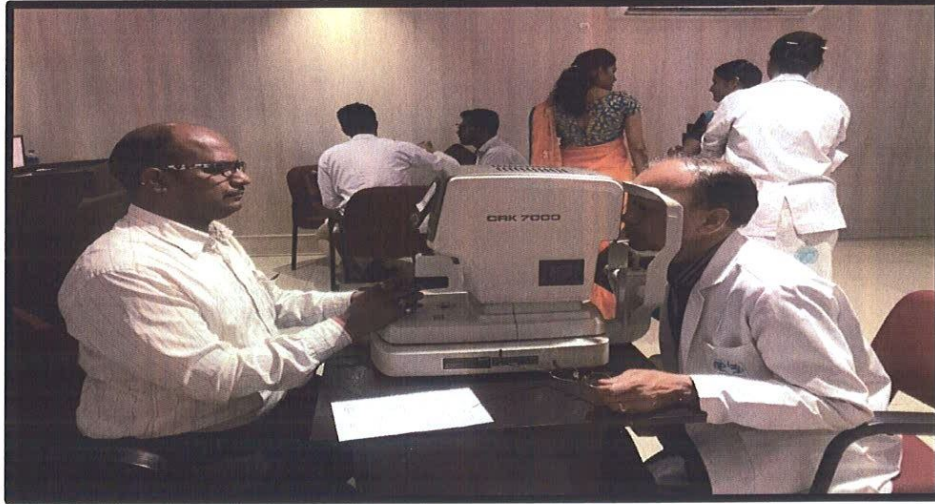

It was definitely a successful attempt by both the Titan team and the pharmacy team as total of 190 staffs joined in for eye sight screening and were happy with the services. The team at Krupanidhi College of Pharmacy expresses gratitude to the Team of Titan Eyeplus for collaborating with us in this regard. We also aim to propagate more of such health issues

REPORT ON INAUGURAL CEREMONY AND WORKSHOP ON BASICS OF COMPUTER

The much-awaited NSS programme week began on 25-Feb-2019 at Mullur Government School. The programme began with the inauguration of Computer Lab at Mullur Government school. This was followed by an awareness skit and a seminar on "Good Touch and Bad Touch among school students" by the volunteers. The skit and seminar were well received and appreciated by the students of the school. Towards the end of the day, a workshop on "Basics of computer for school students" was conducted to enable them to acquire knowledge on the basic principles of computer.

REPORT ON HEALTH SURVEY ON DIABETES AND HYPERTENSION

Krupanidhi College of Pharmacy (KCP) organized a health survey program for the villagers of Mullur in collaboration with RGUHS NSS cell from KCP on 26th february 2019.

The main objective of the health survey was to create an awareness about the the most common conditions of the present era that is DIABETES and HYPERTENTION.

The health survey also involved the collection of the data about the immunization status of children born in past 5 years and also the cleanliness maintained in and around there homes of villagers.

The NSS volunteers visited the households in the village, enquiring about families with children less than five years of age and the people having hypertention and diabetes. The parents with children under 5 years of age were enrolled into the survey along with diabetic and hypertensive patients. The volunteers checked the immunization cards of the children (as and when available) to ensure completeness of immunization schedule. All the parents were verbally informed on the importance of immunization and were also given leaflets advocating the importance of child vaccination and the diseases against which government provides free vaccines to the children.

The volunteers even checked the medicine, health report and daily schedules of diabetic and hypertensive patients.

The following data was obtained upon survey -

- Total number of houses surveyed:360
- Number of nuclear houses:314
- Number of extended family:46

**REPORT ON PHYSICAL PROMOTION AND SPORTS ACTIVITIES FOR
GOVT HIGHER PRIMARY SCHOOL CHILDRENS IN MULLUR
VILLAGE**

NSS Special camp (**Physical promotion and Sports activities**) was organized by Krupanidhi College of Pharmacy, Bangalore. The much awaited NSS Sports activities was held on Wednesday 27th February 2019, at Mullur Govt School with great zeal, excitement and frolicsome atmosphere.

The programme began with the NSS officer Dr. R. Rajeswari welcoming the esteemed gathering and emphasised on the importance of sports in a child's life.

The students entered into the spirit of the occasion in a grand way with the oath being administered by the Sports captain. Children were actively involved to the all events . There was both indoor (musical chair) and outdoor games for the children. The outdoor games were conducted at Govt School campus ground situated at Ambekar Nagar Mullur.

The outdoor events were flat running race for 100mts, lemon spoon race , relay race, kabaadi and tug of war.

REPORT ON SAPLING PLANTATION AT GOVERNMENT SCHOOL PREMISES, MULLUR VILLAGE

Sapling Plantation programme was held on 26-Feb-2019, in the grounds of Mullur Government School. The saplings were supplied free of cost by Krupanidhi College of Pharmacy.

The purpose of the activity was to teach and motivate the students the importance of trees in contributing to the environment by improving air quality, conserving water, providing shelter etc.

A total of 50 saplings were planted by highly enthusiastic NSS volunteers, who also fenced and watered them. Every step of the program was appreciated by the school authorities. The program also created a general stir among the students regarding afforestation.

REPORT ON MATERNAL HEALTH PROGRAMME

The Maternal Health programme 2019 commenced on 02-March-2019. The programme began with an invocation song sung by an NSS volunteer. This was followed by lighting of the lamp by dignitaries. Welcome address was delivered by Dr Amit Kumar Das, Principal Krupanidhi College of Pharmacy. Mrs Geetha Nagpal, Vice Chairperson, Krupanidhi education Trust graciously addressed the gathering. It was an honor to have with us Ms Kavitha Reddy, Trustee-Kaagaz Foundation, Bengaluru who with her umpteen years of experience as an environmentalist enlightened volunteer. Prof. M.D. Karvekar, Director of Academics, Krupanidhi Education Trust and Prof. Prakash V Mallya, Director-Center for Pharmaceutical Professional Advancement shared their valuable experiences with NSS. Subsequently there was presentation of report on the NSS week's activities by the volunteers and distribution of prizes to the volunteers who worked effortlessly in making the NSS week a huge success.
