Dr. Satish Kavatagimath
Professor &
Vice President South Zone, APTI

Dear APTI members,

Regards.

The Pandemic has been harsh on all of us. Many teachers lost their life. Many suffered badly. Teachers lost their jobs, their peace of mind. Many of the teachers never got their salary or were given partial remuneration. Scene was bad world over. Still the scare is continuing. We made many efforts through council on all fronts to see justice prevails. Hope the things will improve soon.

Happy to share that our journals got better indexing. APTI bulletin and women forum newsletter doing well with all your support.

APTI has a plan for giving COVID health insurance cover to all its members if desired. Shortly Google form will be circulated for required details.

Various webinars and FDPs have been carried out under APTI banner. Most of the State branches are active and contributing.

We request all members to please keep sending inputs for APTI bulletin and women forum newsletter. Your journals await your patronage.

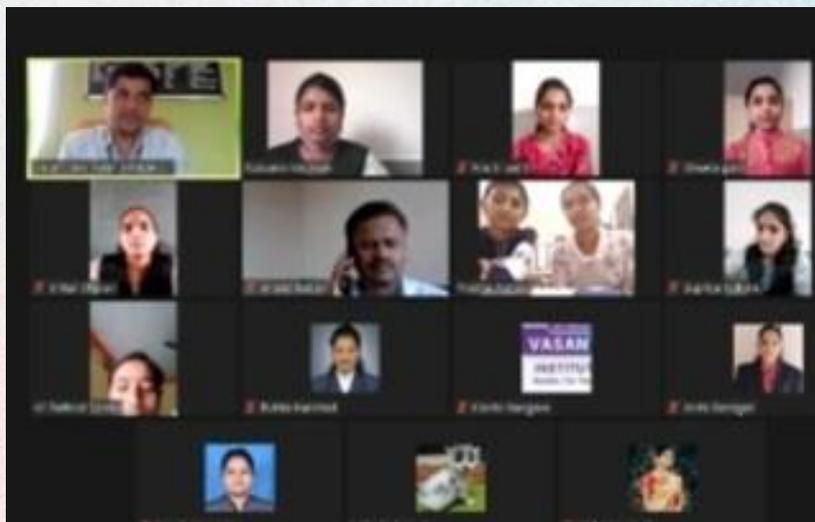

Hope things will be fine soon and we all will meet at JSS Mysore for the great grand celebrations of APTICON.

Please take care of yourself and your family.

With Regards and Best Wishes.

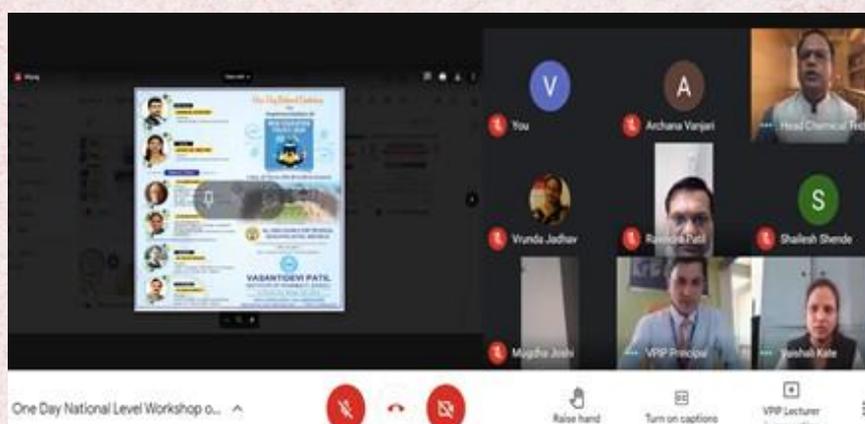

Event Report

Health Check-Up: Covid 19 possible implications on healthy lifestyle patterns DPU Pharmacy organized Health Check-Up Camp Under World Health Day Program

Pimpri Pune: NSS Unit of Dr. D. Y. Patil Institute of Pharmaceutical Sciences and Research, in association with Mprex Healthcare Pvt. Ltd and Power Gummies, Pune under World Health Day program organized Health Check-Up Camp by following Covid-19 guidelines and government regulations. Considering the current situation of Covid-19, due to home confinement, major peoples are at higher risk of suffering with various diseases due to increased intake of junk food, lack of socialization, physical in-activities in case of online classes and work from home etc. Healthcare experts have also warned that the possible implications of COVID 19 are expected to worsen the situation of healthy lifestyle patterns leading to frustration and anxiety in the society.

In the health camp nearly 60 peoples were examined for various health parameters including Insulin (before meal and after meal), TSH, CBC, Lipid Profile, BMI, % Fat. In the camp natural immunity booster supplements were distributed to the peoples and also awareness regarding healthy lifestyle patterns is created and highlighted importance of balanced diet, stress management, need of active lifestyle and natural agents for boosting immunity, to reduce the adverse health outcomes in the situation of Covid - 19.

Dr. D. Y. Patil Unitech Society's Chairman Hon. Dr. P. D. Patil, Vice chairperson Dr. Bhagyashree Patil, and Secretary, Dr. Somnath Patil, appreciated the efforts taken in organizing such health camps for the wellbeing of society.

Health Camp was organized under the Guidance of Dr. Sohan Chitlange, Principal DPU Pharmacy, Dr. Dheeraj Nagore, CEO Mprex Healthcare, Pune and Coordinated by Dr. Rakesh Mishra, NSS PO and Mr. Subhash Chate.

Webinar on 'Advancements in Wet Granulation Technology' organized by OCP

Department of Pharmaceutics of Oriental College of Pharmacy [OCP] organized a webinar on 'Advancements in Wet Granulation Technology' by Mr. Ameesh Shukla, Senior Executive International Business, Macleods Pharma on Saturday, 28th August 2021. The webinar was attended by undergraduate and M. Pharm. students, researchers, faculty and industry professionals. Principal, Dr. Sudha Rathod welcomed the guest speaker and she thanked the speaker for sharing his knowledge and experience and also thanked the Co-ordinator, Dr. Pradnya Palekar - Shanbhag, Professor & Head, Pharmaceutics Department and the Organizing Committee for taking an initiative for such noble and holistic approach. Regarding the webinar, granulation is an important unit operation in the production of solid dosage forms. Granulation process improves flow and compression properties and the product yield. The webinar helped to understand the challenges with conventional granulation approach, focussed on modern day granulation technology used in pharma industry, the automation in granulation and the upcoming granulation technologies. The Principal, Coordinator and Organizing Committee thanked the Management for their strong support to organize such successful event

Ponda Education Society's Rajaram and Tarabai Bandekar College of Pharmacy signs MoU with Amsar Goa Pvt. Ltd.

As a part of Industry Academia Interaction, on 17th April 2021 the Ponda Education Society's Rajaram and Tarabai Bnadekar College of Pharmacy, Farmagudi, Ponda Goa signed a Memorandum of Understanding with Amsar Goa Pvt. Ltd., Colvale, Goa. Amsar a pioneer in standardized herbal extracts has been at the forefront of Indian herbal Industry for over 5 decades.

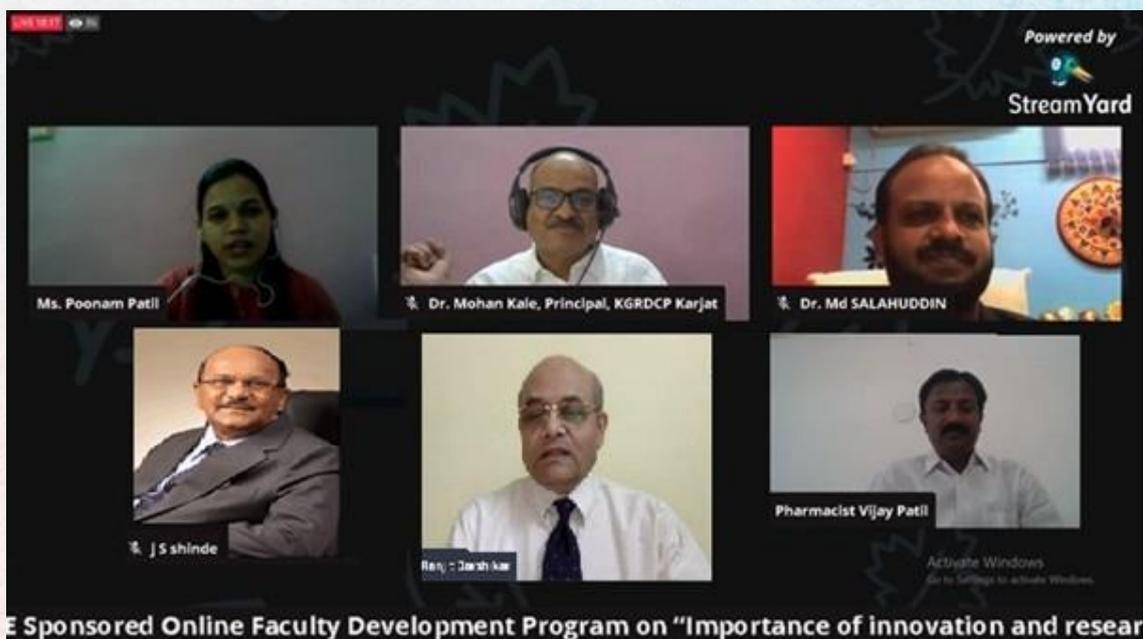

Present on the occasion were Honourable MLA of Ponda Constituency, Shri. Ravi Naik, (Ex-Chief Minister, Goa State) President of Ponda Education Society and other executive members of Ponda Education Society. Dr. S. N . Mamle Desai, Principal, welcomed the guests and expressed his happiness on the historic occasion. MOU was signed by Dr. Vikram Naharwar, CEO-Amsar and Principal Dr. S.N. Mamledessai. Dr. Mangirish Deshpande, Assistant Professor, Rajaram and Tarabai Bandekar college of Pharmacy and Dr. Supriya Hyam, R& D Manager-Amsar coordinated the collaboration.

As per the MOU, faculty and students of the college will gain access to sophisticated instrumental facilities at AMSAR, which will promote collaborative research, provide industrial exposure to industry for staff and students thereby promoting collaborative research.

Speaking on the occasion, Shri. Ritesh R. Naik, Secretary of Ponda Education Society, informed that since its inception in 2007, the college has made great strides in the field of technical education in the state of Goa. College has been ranked in NIRF amongst top 100 colleges from 2016 to 2019. The signing of the MOU aims to foster the technical skills of the students and to make them industry ready so as to enhance their employability and in line with the New Education Policy with heavy emphasis on research.

Dr. Vikram highlighted that the exchange of ideas and expertise between the industry and the institute will be mutually beneficial and strengthens the research domain of the students.

Two Week Online AICTE Sponsored Faculty Development Programme Phase-I concluded at KGRDCP&RI Karjat

Konkan Gyanpeeth Rahul Dharkar college of Pharmacy and Research Institute Karjat organized online two weeks AICTE sponsored Faculty Development Programme Phase-I on “Importance on innovations and Research culture to inculcate startup and entrepreneurship”. Dr. Pearl Dighe, Assistant Professor, Department of Pharmaceutics was the moderator for the event. Dr. Mangirish Deshpande, Assistant professor, Department of Pharmacology and Ms. Soniya Naik, Assistant Professor Department of Pharmaceutical chemistry coordinated the program. Ms. Sarika Kerkar gave technical support. All the participants were given Participation certificate.

STTP at Annamacharya College of Pharmacy

A Six Day Short Term Training Program (Sttp) On Application Of Quality By Design And Other Computational Tools In Pharmaceutical Product Development: Current Trends And Future Prospective, sponsored by AICTE was INAUGURATED, conducted through online mode in the reverable campus of Rajampet, Kadapa District, Andhra Pradesh. Chief guest, Prof .B.Suresh, President, Pharmacy Council of India, recalled all the participants to educate this learning to students and to overcome challenges in pandemic situation.

Guest of Honour, Prof .G.Ranga Janardhana, Honourable Vice-Chancellor, JNTU, Ananthapur, suggested to utilize the online tools for best teaching to students and called upon the pharmacists of teaching, industry to serve society with lost cost drugs and maximum curative property. Guest of Honour,

Col.B.Venkat, Director-FDC, All India Council For Technical Education, appreciated the ANCP TEAM for being conducting AICTE sponsored program by associating management, staff and other personalities. Guest of Honour, DR. T.V. Narayana, President, Indian Pharmaceutical Association, advised the staff to equip all concerns of all online mode for justifying the students. He complemented all the members and speakers of this event. The tool “use best use of QBD for students teaching process”.Guest of honour, Sri. C. Gangi Reddy, The Secretary, AET, encouraged the staff for conducting this program in Covid situation.

Dr.V.Venkateswarlu, Managing Director, Neuheit Pharma Technologies Pvt Ltd, Hyderabad, as Speaker of this program explained on “key note address QBD- An Overview”.Dr.C.V.S.Subrahmanyam, PG Coordinator, Gokaraju Rangaraju College Of Pharmacy, Hyderabad, delivered his session on “QBD Principles and Applications in Formulations”. Dr. Roop.K.Khar, Professor & H.O.D, B.S. Anangpuria Educational Institutes, Faridabad, as speaker explained the topic on “ Fundamentals of QBD for Professional Development”.Dr.R.N.Gupta, Birla Institute of Technology, Mesra, Ranchi, Jharkhand, as speaker spoke on “IPR and its Impact on Pharmaceuticals”.Prof. Brahmeshwar Mishra, Professor of Pharmaceutics, Department of Pharmaceuticsl Engineering and Technology, IIT, as a speaker delivered on “ Use of Pastillation Technology in Better Management of Nocturnal Asthma”.Dr.N.Nagaraju, Professor, Institute of Pharmaceutical Technology, SPMVV, Tirupathi, as a speaker focused on his explanation on QBD in Pharmaceutical Formulation Development-An Overview” Dr.S.Koteswar Rao, Professor of Electronics and communication Engineering, K.L University, as a speaker explained on “Statistical Quality Control (SQC) in control strategy”.

Dr. Subramanian Natesan, Professor, Department of Pharmaceutics, NIPER, Kolkata, as a speaker thrown a light on “ Development of Nano scale systems using Design of Experiments”.Dr.D.Sujatha, Professor, Institute of Pharmaceutical Technology, SPMVV, Tirupathi, as a speaker selected the topic on “ Computational Toxicology-Role in Product Development”. Dr.Ruckmani Kandasamy, Professorm Dept of Pharmaceutical Technology, Anna University, BIT Campus, Tiruchirapalli, Tamilnadu, as a speaker exemplified his content on “ Development of solid oral flexible tablet formulation platform for pediatric and geriatric drug delivery. Mr. G.K.Naidu, Head, Department of Pharmacy, S.V.Government polytechnic, Tirupathi, as a speaker amplified his key message on “ Teaching Skills and Methods”. Dr. Neelesh kumar Mehra, NIPER, Hyd, as a speaker communicated on the topic “QBD Approaches in complex product development”. Dr.M.Sunitha Reddy, Associate Professor, BOS chairperson, JNTUH, as a speaker came forward on the topic “ Advanced Formulation Development Biomimicry”.

Dr.L.Srinivas as a speaker delivered his message on “ Computational Modeling for Drug Development”. Dr.Ramalingam.P, Director (R&D), RIPER, as a speaker composed his explanation on “ Analytical Quality by Design-Concept and Case Studies”. Dr.K.Gowthama Rajan, JSS Academy of higher education and research, Ooty,as a speaker delivered his content on “ Digital Formulation Development : A Paradigm.”. Dr.J.Nirmal, Department of Pharmacy, BITS-Pilani, Hyd, as a speaker make his choice on the topic” Optimum Therapeutics to Eye”. Prof.M.Vidyavathi, Head and BOS Chariperson, Institute of Pharmaceutical Technology, SPMVV, Tirupathi, as a speaker took her privilege on topic “ Optimization by DOE-Product Development”. Dr. T.E.G.K.Murthy, Principal, Bapatla

College of Pharmacy, Bapatla, as a speaker took his topic on “ Applications of QBD in mixing operations”. Prof. Vijayarathna, AU College of Pharmaceutical sciences, AU, Visakhapatnam, as a speaker delivered her topic on “ six sigma strategies for continuous improvement in pharmaceuticals”. Dr.S.V.Satyanarayana, Prof, Dept of Chemical Engineering, JNTUA, as a speaker involved with participants on the topic “ National Education Policy”. Dr. D. Swarnalatha, Principal, Annamacharya College of Pharmacy, expressed her gratitude to commendable personalities, participants and coordinator for engaging in this program and for successful completion of this part of event.

Coordinator of this program, Dr. P. Dwarakanadha Reddy, Prof & HOD, Dept of Pharmaceutics, and Co-Coordinator Dr.C.Surya prakash Reddy and Dr.N.Raghavendra Naveen staff team participated in this program. The Chairman, Dr. C. Ramachandra Reddy, Vice-Chairman, Sri. C. Yella Reddy, Treasurer, Sri. C. Abhishek Reddy, said the students studying NBA and NAAC “A” accredited institution like Annamacharya College of Pharmacy can be assured that they will receive a quality education and they would become a very good citizen with good morals.

International Yoga Day Celebration

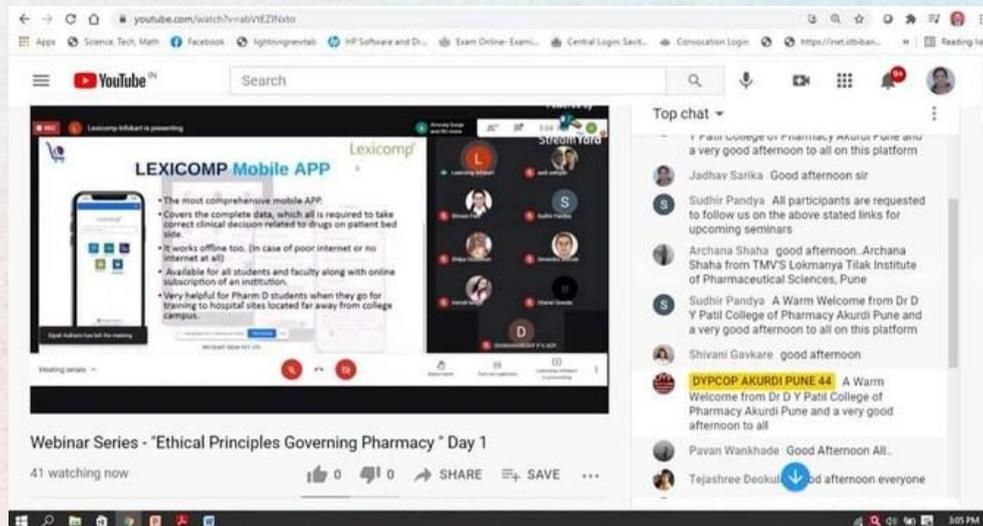

D Y Patil University School of Pharmacy had organized a webinar on occasion of International Yoga Day on 21st June 2021. Total 51 students of F. Y. B. Pharma attended the session. Yoga is an important part of our life that helps in controlling an individual's mind, body and soul. It increases our mental and physical strength and keeps us calm. In the beginning of the session, Mr. Jenil Shah (F Y B Pharma) welcomed all and gave brief introduction of the speaker. Dr. Rakesh Somani, motivated students to practice yoga daily. Mrs. Manisha Sonavale, Yoga instructor, was the speaker of this session. Madam stated the importance of yoga in day to day life and taught how to perform few important asana like Pranayam, Neck and toes rotation, eyes rotation, Kapalbhati, Omkar Chants. Activity was coordinated by sports club under the guidance of Mr. Pravin Naik, Student's council In-charge.

NSS Plantation Program at Annamacharya College of Pharmacy

The NSS Plantation Program was conducted by NSS team of Annamacharya College of Pharmacy in the medicinal garden and premises of ANCP. The NSS staff and volunteer team participated in this program and planted the medicinal plants like Azardirachta Indica, Phyllanthus acidus, Ocimum basilicum, limonia acidissima and also many flowering plants and natural plants which reduce pollution and increases oxygen. Dr. SMV Narayana, Principal, AITS incepted this program and called upon all the participants to make Annamacharya campus a Home of Plant Medicine. Dr. D. Swarnalatha, Principal, Dr. K. Adinarayana, NSS Coordinator, Mr. Y. Pradeep Kumar, Assistant Professor, ANCP, participated in this event. The Secretary, Sri.C. Gangi Reddy, Treasurer Sri. C. Abhishek Reddy, Chairman, Dr C Ramachandra Reddy and Vice-chairman, Sri. C. Yella Reddy participated.

Three day webinar series organized by Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune, on the theme “Ethical Principles Governing Pharmacy”

Dr. D. Y. Patil College of Pharmacy, Akurdi, Pune, in its endeavor to provide a platform for thought-provoking deliberations, had organized three days webinar series, on the theme “Ethical Principles Governing Pharmacy” from 11th to 13th May 2021. The major objective was to apprise researchers and academicians about diverse aspects of principles governing pharmacy related to authentication of drug information for healthcare professionals and patients, publication proficiency for their research work, promotion of animal ethics and strive to extend its principles for care by recommended and approved methods. On this occasion, Principal Dr. N. S. Vyawahare appreciated the efforts of all the speakers, in their respective field and emphasized the objective along with the importance for conduct of these webinar series.

This webinar series was coordinated by Dr. Devendra Shirole under the guidance of Principal Dr. N. S. Vyawahare, while Ms. Shivani Patil introduced the speakers of the session. The first webinar on “Patient-centric drug information service for reducing medication errors”, was conducted on 11th May, wherein Mr. Vikas Arora, Director, Infokart India Pvt. Ltd presented an insight on effective use of Lexicomp software, an evidence base information tool, to improve patient safety, ensure compliance and elevate the quality of patients care through drug information services. The second webinar was on “Publication proficiency: Pharmaceutical Avenue” was conducted on 12th May, in which Dr. V. A. Chakkarwar, Director, (Prime editors) & President (Society for R & D in Health Sciences) emphasized on proficiency for writing and publication. Sir also talked on the significance of soft skills for publication was highlighted. He also portrayed how the TRP of a publication can be improved by selection of user-friendly software. Thus, his words “Write for reader and not for writer”, needs to be implemented by all to polish one’s publication. While the third webinar on “Human animal relationship” was conducted on 13th May, in which Dr. P. B. Wangikar, Director, PRADO-Preclinical R & D, Pune, discussed on advancement of knowledge, legislations and the acts intended for specific experiments to be performed with due care so as to minimize the pain inflicted on the animals.

Overall the sessions were very illuminating and engrossing which have been benefited to more than 500 participants from various institutes. Thus, sessions ended with brainstorming questions & answers with vote of thanks proposed by Mrs. Vrushali Patil.

Career Avenues in Pharmaceuticals

Dr. D. Y. Patil College of Pharmacy, Akurdi Pune 44, in its endeavor to provide a platform for thought-provoking deliberations, organized the webinar series 2, under the theme “Career Avenues in Pharmaceuticals” on 21st and 22nd May 2021, with the aim to acquaint students about exciting and lucrative career opportunities in the pharma industry as well as few grey areas that need to be clarified and navigated in the Pharma market, including learning abroad experience, career benefits, and pharmaceutical industry requirements.

On this occasion, Principal Dr. N. S. Vyawahare felicitated the speakers of the session, Mr. Kaamendra Dahat, CEO, Interedwise Education Pvt Ltd., Mr. Santosh Desai, Plant Director, Abbott India Limited, Goa and Mr. Mukund Verma, Director, Verma Pharmaceutical, Hadapsar, Pune., and emphasized the objective of webinar series, on the theme “Career Avenues in Pharmaceuticals” in his introductory remarks.

Studying abroad is not just an incredible way to broaden your horizons and discover something new; it’s also an experience you can parade to future employers. The first webinar on “Career abroad and education” was conducted on 21st May 2021, wherein Mr. Kaamendra Dahat, CEO, Interedwise Education Pvt Ltd., talked on the need to widen boundaries and network to develop oneself. He highlighted on different educational programs available for pharmacy field abroad. Sir focused on the criteria for registration, exams to be cracked to work as registered pharmacist in different countries. He also spelled out the avenues after post completion of program. Thus, this, valuable experience can impact to harbor diverse perspectives, lifelong. The second webinar on “Academic Preparedness for Pharmaceutical Industry” was conducted on 22nd May 2021, in which Mr. Santosh Desai, Plant Director, Abbott India Limited, Goa, explained in detail the key performance indicators in form of 3P’s (Product, Process and People) and 5C’s (Compliance, Customer, Continuous improvement, Crew, Cost) that every pharmaceutical industry need, expectations of the industry, how errors can be minimized to overcome product withdrawals and recalls. The significance to have continuous improvement mindset can certainly lead to success. Hence, the session contributed in enhancing how networking amongst academic–industry can share best practices and improve effectiveness. The third webinar on “Exploring Avenues in Pharma Grey Areas” was conducted on 22nd May 2021, wherein Mr. Mukund Verma, Director, Verma Pharmaceutical, Hadapsar, Pune. Sir emphasized on areas of Ayurveda, export pharmaceuticals and clinical research that needs to be explored. The path in fields of standardization, herbal extraction, nutraceuticals, and herbal cosmetics that can help to encash good market. He explained the concepts of different areas with suitable case studies and the necessary skill sets required for them. As a result, the understanding of the grey areas can make the right move and usher bright future in healthcare services. Overall sessions were very expedient and interactive which has been benefited more than 700 participants from various institutes who actively participated and interacted with a guest speaker. The session ended with brainstorming question answer sessions.

This webinar series coordinated by Dr. Ashish Kulkarni, Dr. Sudhir Pandya, Dr. (Mrs.) Sonali Mahaparale and Ms. Shubangi Jadhav, TPO, under the guidance of Principal Dr. N. S. Vyawahare. Prof. Shivani Patil introduced the speakers of the session while Dr. V. R. Vaidya and Mrs. Vrushali Patil proposed the vote of thanks.

HPTLC: Technique and Pharma Applications

Department of Pharmacognosy, Nirmala College of Pharmacy, Muvattupuzha in association with Anchrom India Pvt. Ltd., organised a webinar entitled "HPTLC: Technique and Pharma Applications". The main aim of the seminar is to create awareness on HPTLC and its advanced applications among the students, faculty and researchers in the field of Pharmacy and allied subjects. The webinar started at 10.30 am on Thursday 27th May 2020 with welcome address by the program coordinator Dr. Prasanth B, Associate Professor, Department of Pharmacognosy. The resource person of the webinar was Ms. Sneha Singh, Application Specialist, Anchrom India Pvt. Ltd. The program was presided over by Dr. Badmanaban.R, Principal, Nirmala College of Pharmacy, and Muvattupuzha. Mr. Ramesh Naidu, Vice President, Dr. Saikat Mallick, Assistant Manager(Lab), Mr. Vishwajith Kaley, Mr. Sumesh S, Sales Manager represented Anchrom India Pvt. Ltd. in the webinar.

Farewell for First Batch of D. Pharma at D.Y. Patil University School of Pharmacy

The First Year D. Pharma students of D.Y. Patil University School of Pharmacy organized a virtual farewell for the S.Y. D. Pharmacy students of the 2021 batch on 12th June 2021. This farewell was conducted virtually on zoom platform at 11:00 AM onwards and was hosted by Ms. Siddhi Koda. All the students from of D. Pharma and B. Pharma attended the farewell. A short farewell speech was given by Ms. Mubashra Dakhwe (F.Y.B. Pharma), after which Principal, Dr. Rakesh Somani Sir, graced the occasion with his kind words. Dr. Sushama Patil shared the memories with the class and guided the students for better career. Mr. Khush Jain (S.Y.B. Pharma) presented beautiful songs on the casino. After this, various entertaining games like 'Scavenger Hunt' were organized where everyone including the faculty, participated proactively and enthusiastically. Mr. Aditya Ghuge addressed the students with his humble words. A short video was also shared which showcased the various memories of the students in the college. Ms. Divya Chauhan, S.Y.D. Pharma among other students, shared her thoughts and thanked all staff members of the School. It was a well-planned farewell where the students and teachers participated. The vote of thanks was proposed by Ms. Dakshita Barwad and the farewell was concluded. Farewell was organized by F.Y.D. Pharma students under the guidance of Mr. Pravin Naik, Student's Council In-charge.

Short Term Training Program Phase 2 at Annamacharya College Of Pharmacy

A six day short term training program Phase II on application of quality by design and other computational tools in pharmaceutical product development: current trends and future prospective, sponsored by AICTE was inaugurated, conducted through online mode. Chief guest, Sri. C. Gangi Reddy, The Secretary, AET, and Guest of Honour, Sri. C. Abhishek Reddy elevated the role of pharmacists services in COVID situation. Guest of Honour and Speaker, Prof. Swarnalata Saraf, Director, University Institute of Pharmacy, Pt. Ravi Shankar Shukla University, Raipur, Chattisgarh, delivered a sharp note on “Computational Tools in Pharmaceutical Sciences”. Guest of Honour and Speaker, Lingaiah Nagarapu, Sr. Principal Scientist at CSIR-IICT(Ministry of Science & Tech), Hyderabad, explained on “ Innovation Towards Pharma Vision”. Guest of Honour and Speaker, Dr.V.Gopal, Principal, College of Pharmacy, Mother Theresa Post Graduate and Research Institute of Health Sciences, explained a topic on “ Application of QBD in Pharmacognosy, current trends and future prospective”. Guest of Honour, Prof. B.Sudheer Prem Kumar, Secretary, APSICHE, and Prof. E.Kesava Reddy, Director of Evaluation JNTUA, Ananthapuramu, addressed the participants and called upon them for good learning tools. Dr. D. Swarnalatha, Principal, Annamacharya College of Pharmacy, expressed her gratitude to commendable personalities, participants and coordinator for engaging in this program. Coordinator of this program, Dr. P. Dwarakanadha Reddy, Prof & HOD, Dept of Pharmaceutics, and Co-Coordinator, Dr.C.Surya prakash Reddy staff team participated in this program.

9 Students from Dr. D.Y. Patil College of Pharmacy Akurdi, Qualify for NIPER-JEE 2021

NIPER-JEE 2021 conducted by NIPER Hyderabad for admissions into various Masters and PhD programs, 9 students from Dr. D. Y Patil College of Pharmacy qualified and achieved remarkable success in this examination. The qualified students with their All India Ranks (AIR) are Ms. Sakshi Jagetiya (AIR-201), Ms. Rutuja Bandal(AIR-322) Mr. Akshay Bavaskar (AIR-339, He has secured AIR-1-PwBD category) Ms. Tanuja Dhakane(AIR-1421), Mr. Vivek Jadhav(AIR-1683), Mr. Rohan Kudale (AIR- 1843), Ms. Shital Suryawanshi (AIR-2368), Ms.Pallavi Bhadane (AIR-2368) and Ms. Prajakta Sabale (AIR-2399).

Competitive Examination Coordinator from the College Mr. Pavankumar Wankhade provided his valuable guidance to students for qualifying NIPER exam. The In-charge Campus Director and Principal Dr N. S. Vyawahare and all faculty congratulated the students for their success in NIPER examination

Inauguration of DPSRU Yoga And Meditation Center by Hon. Chief Minister Of Delhi

Delhi Pharmaceutical Sciences Research University has always promoted certain out reach programs for fitness and health. In 2016, Yoga Fitness center was started to provide 3 credit course for Yoga for students of Pharmacy and Physiotherapy in the University. Further, Certificate Course was started for general public.

On the eve of a day before International Day of Yoga, the Centre was inaugurated by the Honorable Chief Minister of Delhi, Shri Arvind Kejriwal. Initiated in collaboration with the government of NCT of Delhi, this center will conduct the course on Diploma in Meditation and Yoga Sciences. The Delhi Pharmaceutical Sciences and Research University (DPSRU) will be the nodal center for several satellite centers across the city for conducting Yoga classes. 464 students have been enrolled for the course, while 20 Yoga teachers have been appointed who will train these students.

On International Yoga Day 21-06-2021, IYD was celebrated where students and staff members practiced Yoga and Meditation following all COVID protocols. Overall 200 staff and faculty members and 400 students joined and participated in the celebration, online as well as offline. In the post-Covid era that has highlighted the essentiality of Yoga, this initiative has been brought to a successful implementation under the aegis of Honorable Vice Chancellor of DPSRU. Prof. (Dr.) Ramesh K. Goyal.

“To see that every citizen healthy through Spritual and Scientfc healthy practices” is the vision of the centre which has a mission, “To encourage people practicing Meditation and Yoga Sciences and there by spreading Harmony, Happiness, Health and Mindfulness. The centre will work with objectives, “To design, develop and impart various courses for Yoga, Meditation, Diet and nutrition to promote healthy life style open to all and “To establish satellite centers for spreading the knowlege and awareness for such programs.”

Covid-19 Era- Need and Challenges in the Healthcare and Pharma Sector

Global pandemic situation has caused drastic change globally and has made deep impact on healthcare as well as pharmaceutical industry. With a view to understand the situation and be acquainted for the future Dayanand Education Society's, Dayanand College of Pharmacy, had organized international e-conference on 11th and 12th June. The platform served the purpose to provide students, delegates from academia and corporate, pharmacy experts, researchers and professors with up-to-date information about the theme. This e-conference was sponsored by S.R.T.M. University, Nanded, APTI and IPA, jointly organized by Dayanand College of Pharmacy and Dayanand Institute of Pharmacy, Latur. This international conference was successfully carried out through YouTube Live and Zoom. The e-conference was attended by over 3000+ participants.

For the inaugural session of this international conference trustee of the Dayanand Education Society, Dr. Suresh Bhattad was guest of honor and Dr. Jogendrasingh Bisen, Pro- Vice Chancellor of SRTMU, Nanded was Chief Guest.

Technical sessions were held on different topics as per the theme. Dr. Dinesh Dhumal, a researcher from CNRS, France, presented on topic "Nano medicine approach to combat Covid-19 pandemic", Dr. Jagdish Mahale, a researcher from university of Oxford, England presented on topic "Development of Oxford - AstraZeneca Vaccine and Further Studies", Dr. Prajakta Kulkarni, Scientist from Santa Barbara, California, USA, presented on topic "Covid-19 Diagnostics: Challenges and Innovations", Debashish Nayak from IIT Indore presented on topic "Animal Models for SARS-Cov-2- Pathogenesis and Transmission", Dr. Rahul Kodagule GM, Glenmark Pharmaceutical, Mumbai presented on topic "Efficacy and Safety of Covid-19 Vaccine". They explained vital information and aspects about covid-19 treatment and vaccination, and pros and cons. Applications of nanotechnology and animal models for diagnosis and treatment of pandemic diseases was discussed. All of the eminent speakers have provided very novel and effective information

In the current global pandemic situations doctors, nurses, health workers and pharmaceutical researchers are working with equal vigor. They are successfully tackling these challenges. In the upcoming years, India will be one of the leading countries in the field of pharmaceuticals, stated Principal Dr. Kranti Satpute in her keynote.

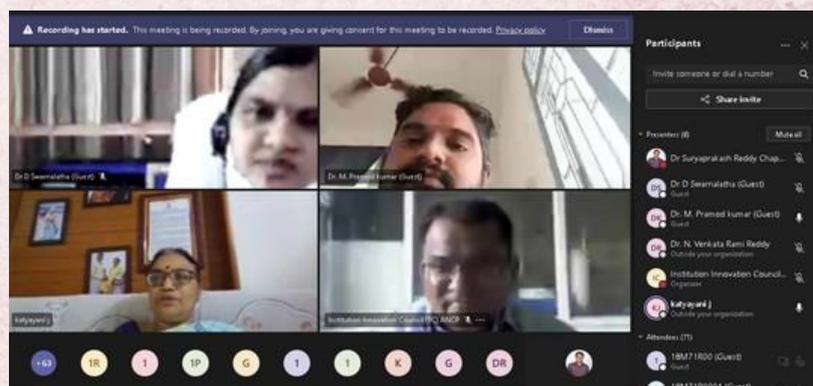

Organizing committee comprised of Dr. Kranti Satpute, Principal, Dayanand College of Pharmacy, Dr. Srinivas Bumrela, Principal, Dayanand Institute of Pharmacy as convener, Prof. Sameep Sonvane, Co-ordinator, Prof. Yogesh Kulkarni, Prof. Gopal Lohiya, Prof. Shraddha Tiwari and Prof. Prakash Shivnechari were Co-ordinators. For the grand success of this e-conference, the college faculties and non-teaching staff worked tirelessly and made the conference a success.

DISHA App Awareness Program at Annamacharya College Of Pharmacy

DISHA App Awareness Program was conducted by the women empowerment cell of ANCP, through online mode for the girl students of B.Pharmacy, M.Pharmacy, Pharm.D, D.Pharmacy And Pharm.D (P.B), Guest of Honour, Mr. Y. Narendra Reddy, Circle Inspector, Rajampet, explained that “ The chief minister of A.P, introduced this APP for the protection of women and the necessary women or girl when they are in trouble and problematic condition could use this APP for early response and help from police. Guest of Honour, Mr. Shaik Roshan, Sub-Inspector, Rajampet, asked all the participants of the awereness program to download the APP, also instructed how to instruct the APP and called upon all the participants to aware the society. Dr. D. Swarnalatha, Principal, Annamacharya College of Pharmacy, as a Convener expressed her gratitude to police officers for creating awareness to all the 350, participated women and girl students. Mrs. B. Nirmala devi, Dr. M. Deepa and Mrs. P. Anitha organized the program.

Webinar On Design Thinking And Innovation Readiness

Webinar On Design Thinking And Innovation Readiness was conducted by the Institution's Innovation Council Team of ANCP, THROUGH ONLINE MODE for the students of B.Pharmacy, M.Pharmacy, Pharm.D, D.Pharmacy and Pharm.D (P.B) Chief Guest, Dr. N. Venkata Ramireddy, Assistant Professor, Department of Animal Sciences, (Zoology), Yogi Vemana University, Kadapa, “Explained the role of Innovation in higher education institutions development” . Guest of Honour and Resource Person, Dr. Jasti Katyayani, Professor of Operations, Management & Entrepreneurship Development, IIC Ambassador, New Delhi. Sri Padmavati Mahila Viswavidyalayam (Women's Univerisity), A.P, delivered a huge message and influence of Design Thinking And Innovation Readiness in Leadership Support, Organization Design and innovation practice. She advised all the participated students and staff to sharpen the novel thinking methods to strengthen the career, developing new methods form existed ones, re-considering old methods for new innovations. The new methods of thinking and learning also helps the students to perform the exams with high grade ranks and also acts as a tool in interviewing and reaching higher level. This also promotes problem solving capability. Dr. D. Swarnalatha, Principal, Annamacharya College of Pharmacy, as a Convener expressed her gratitude for the Resource Persons. Dr. C.Surya Prakash Reddy, Mr. S. Sudhakar and Dr. M. Pramod Kumar organized the program.

CCPSR Conducts a Scientific Event on National Vaccination Day

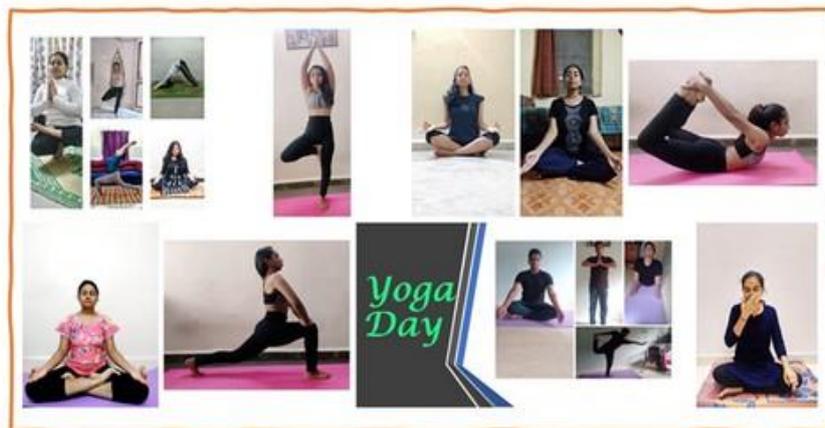

Vaccines are a critical new tool in the battle against COVID-19, keeping this in mind the institutional academic committee (IAC) of Chemists College of Pharmaceutical Sciences and Research (CCPSR), Ernakulum Kerala had organized a scientific event based on the topic “Myths and Facts of Covid-19 Vaccination –Need of the hour” on March 15th 2021. The program was started with an invocation prayer by the students. Dr. Gini E.J., Principal welcomed the guests and highlighted the need for vaccination as vaccines are important tool for controlling and eliminating life threatening infectious diseases.

Mr.A N Mohanakurup, President ,Chemists and Druggist Educational Society delivered the presidential address. He said that the whole world is waiting for the miracle- vaccine for the deadly disease and exhorted the young graduates. He also added that the pharmacist are the only health professionals to travel the unexpected path, who can be a part to prevent the spread and complete eradication of the disease. Mr M.Sasidharan General Secretary, Chemists and Druggist Educational Society delivered the key note address, in his introductory note he stated that vaccination can offer much hope for rolling out of this disease . The inaugural session was followed by brief introduction about speaker. The eminent resource person for the scientific event was Dr. Sanju Dhawan who is the head product development IKKT, Pfizer Healthcare India Private Limited Chennai. She is overall responsible for development, scale up, optimization and technology transfer of products from IKKT development laboratories to Pfizer manufacturing sites within or outside India.

The webinar aims with an objective to create awareness among medical and public health communities about the importance of vaccination in the midst of COVID-19 pandemic. The virtual platform for the scientific event was on zoom app. We had a wonderful and informative session about the immune response of the body, genetic approaches for vaccine development, newly developed vaccines including Covid-19 vaccines, post vaccination symptoms and landscape of Novel corona vaccine world wide.

The scientific session ends with an interactive session. All the participants interacted well and raised many questions that adds more information regarding the importance of vaccination for preventing highly infectious diseases. The feedback of the session was exceedingly positive. Finally, the event was concluded by a formal vote of thanks by our students.

Yoga Appreciation Program at Oriental College of Pharmacy

As per the directives of University Grants Commission (UGC) and the Ministry of AYUSH, GOI, Oriental College of Pharmacy conducted a Yoga Appreciation Program (4 days) between 21st June 2021 and 24th June 2021 for its teaching faculty and non-teaching staff. The program was conducted following the current COVID-19 norms. Principal Dr. Sudha Rathod, who has a Diploma in Yoga and is an active Yoga practitioner since last 25 years, was the resource person. Madam demonstrated the various asanas to the attendees and asked them to perform the same under her guidance. She was assisted by Dr. Mateen Sayyed to monitor and ensure that the attendees were able to practice these asanas. She also explained the health benefits of each of these exercises and gave an overall explanation how Yoga benefits holistic wellbeing. At the end of this official program each member was asked to continue this practice at home every day.

Along with the staff the students of OCP, were encouraged to practice yoga. Following the UGC slogan of "Be with Yoga, Be at Home" the students with their family members were asked to perform yoga at their residence and send in pictures of the same. The students enthusiastically performed the same and shared their pictures.

Thus, awareness was created amongst all the staff and students of OCP regarding the benefits of practicing yoga regularly and a promise was made to follow this in the future. The Principal, Dr. Sudha Rathod Programme Convener, Cultural In-charge Dr. Manasi Gholkar & Associate Cultural In-charge Mr. Suraj Gupta thanked Mrs Humera Javed Khan, President of Oriental Education Society (OES), Dr Azeem J Khan Treasurer OES and Mr. Waseem J.Khan, General Secretary OES for their strong support to organize such successful event.

5 ANCP students qualifies NIPER-JEE 2021

5 students of ANCP qualified the National level competitive examination, NIPER JEE -2021. Shaik Khajapeer, Avula Jyotshna Devi, Chilukala Madhavi, Chintha Saipranathi and Godugu Mounika cleared this examination. Dr. D. Swarnalatha, Principal, ANCP, appreciated the qualified students and staff who cooperated and guided for the same.

DPSRU Organized Webinar on Quality By Design And its Role And Application in the Pharmaceutical Field

The Department of Pharmaceutics, DPSRU organized a webinar on Quality by design and its role and Application in the Pharmaceutical field on 06th August 2021. Dr. Jasmine who R&D Site Leader, Delivery Manager was invited as a guest speaker from Dr. Reddy's Laboratories SA, Basel, Switzerland which is part of the Pharmaceutical and Medicine Manufacturing Industry. The webinar started with the brief introduction about the program and all the participants were addressed with the welcome message by Dr. Madhu Gupta, Associate Professor, DPSRU and chief coordinator of the program. The Director of School of Pharmaceutical Sciences, Prof. Harvinder Popli graced the occasion with her valuable presence and also addressed the participants and the faculty members with her ideas and thoughts about Quality by Design in manufacturing proceeding.

Dr. Jasmine enlightened us all with the new techniques and advancements in the Qbd designing in the pharmaceutical industry. She presented very descriptive illustrations about the functioning and advantages of all the new technologies. It was indeed a very informative and knowledgeable session with her. She also shared her practical experience about the same. All the participants enthusiastically took part in the questionnaire session. She shared a lot about Qbd Roadmap, Need of Qbd, Quality-A Continuing Revolution and etc. It was an informative and knowledgeable session with her. The programs become more knowledgeable when she envisioned about her experience when she works in the laboratory. At last Dr. Madhu Gupta expressed her gratitude and says thanks to Dr. Jasmine for her valuable time and for this wonderful webinar. The webinar was overall the successful event with the guidance and support of the faculty's members and students.

Brain Storming Session on DPSRU-NIB Certificate Program on Quality Control of Biopharmaceuticals

National Institute of Biologicals (NIB), an apex autonomous Institute under Ministry of Health & Family Welfare and Delhi Pharmaceutical Sciences and Research University (DPSRU), Govt of NCT of Delhi, the first Pharmacy University in India joined hands to initiate a certificate Program on Quality Control of BioPharmaceuticals.

The Scientific team headed by Dr. Anup Anvikar, Director NIB, visited DPSRU on Friday 13th August 2021. The meeting was chaired by Prof. Ramesh K Goyal Vice Chancellor DPSRU and Dr. Anup Anvikar, Director NIB. The delegates were welcomed by Prof. Geeta Aggarwal, Dean Academics DPSRU and gave a brief introduction about the University. Brain Storming Session was held on the proposed DPSRU-NIB Certificate Program on Quality Control of Biopharmaceuticals. Detailed discussions on the proposed syllabus for the certificate course, duration, pedagogy, logistics & examination between both the organizations. Prof. Goyal briefed the plans for further collaborations. Address was given by Dr. Anup Anvikar Chief guest of the program, who emphasized on providing necessary practical skills and increase the employability of the proposed program. It was decided by Vice Chancellor DPSRU and Director NIB to proceed further with similar joint programmes in near future. The Scientific team from DPSRU included Prof. Geeta Aggarwal, Dr. Saurabh Dahiya, Dr. Jaseela Majeed, Dr. Madhu Gupta and Dr. Surajpal Verma. The Director NIB has constituted the team of Scientists, Dr. Harish Chander, Dr. Gauri Misra, Dr. Sudha V Gopinath, Dr. Subhash Chand. Both the Scientific teams actively participated in the discussions. Apart from the team, the meeting was attended by Dr. J.P. Prasad, Deputy Director(QC) NIB, Prof. P K Sahoo, Director DIPSAR, Prof. Harvinder Popli Director SPS, DPSRU, Prof. Rajiv Tonk, Dean Student Affairs, DPSRU, Prof. C. R Patil, Dr. Mukesh Nandave and Dr. Ajit Thakur.

NIB has been supporting DPSRU for the various training programmes/ internships for Post graduate students of the University in the area of biologicals. The meeting also discussed to materialize the modalities of this collaboration through a formal Memorandum of Understanding (MoU) between the organizations. The meeting ended with vote of thanks by Prof. P K Sahoo, Director DIPSAR with a positive note to take these collaborations further. The meeting was coordinated by Dr. Jaseela Majeed (DPSRU) and Dr. Sudha V Gopinath (NIB).

DPSRU Organized Virtual Lab Tour of Accuprec Research Labs Pvt. Ltd., Ahmedabad

On 19th June 2021, the virtual lab tour of Accuprec Research Labs PVT. LTD., Ahmedabad, India, was arranged for the students and faculty members of School of Pharmaceutical Sciences, Delhi Pharmaceutical Sciences and Research University, Delhi.

Professor Ramesh K. Goyal, Hon'ble Vice Chancellor, DPSRU facilitate the Accuprec Team Members, students and faculty members. Prof. Goyal shared his words about importance of such meetings and how such industrial exposure is beneficial for the students.

Dr. Madhu Gupta Associate Professor, School of Pharmaceutical Sciences, DPSRU welcomed the company representative Dr. Manish Rachh, Director, Ms. Mona C. Bhalani, Senior Research Associate, RA & QA Department, and Mr. Samee Master, HR Manager,

The event was attended by approximately 100 participants encompassing B. Pharm., M.Pharm and PhD students of various streams such as Cosmeceutics, Industrial Pharmacy and Pharmacology, Pharmacognosy, Analysis and Clinical Pharmacy. Staff members Prof. Harvinder Popli Director SPS, Prof. Geeta Aggarwal Dean Academics, DPSRU, Dr. Sushma Talegaonkar, Dr. Madhu Gupta, Dr. Minakshi Garg, Prof. Deepti Pandita, Prof. CR Patil, Prof. Ajay Sharma, Dr. Mukesh Nandave, Dr. Anoop, Dr. Sooraj Pal, Dr. Rakhi Ahuja, Dr. Vijendra, and Dr. Foziyah, and others also attended this Virtual lab tour.

Accuprec Research Labs Pvt. Ltd. ® is a service provider for various testing services required for pharmaceuticals, chemicals and phytochemicals as well as herbal formulations.

Ms. Mona Bhilani has guided the students and faculties about the instruments and facility spreaded in 14 different verticals under one roof. Then she gave a explained role and importance of CRO (contract research organisations) through presentation and discussed differents sectors in the pharamaceutical market and scope of CRO.

Then she gave a explained role and importance of CRO (contract research organisations) through presentation and discussed differents sectors in the pharamaceutical market and scope of CRO. Also guided the students for the future career aspects and also given the answers of the queries asked by the students.

Dr. Madhu Gupta concluded the session and shared her experience about Health Sciences and status of CRO in India and explained about the increased need of quality testing service providers to manufacturers of pharmaceuticals, chemicals, phytochemicals, herbal formulations, neutraceuticals and others falling in the category of food & drugs. She also stated about the amazing facts that India is top in world in exporting Generic medicines.

The whole program was coordinated by Dr. Madhu Gupta. Everyone learnt about the aspects of Accuprec Research Labs PVT. Ltd., Their services and facilities and lastly share their feed back with experts.

Reinstatement of Honourable VC of DPSRU

Prof. Ramesh Goyal starts his second term as the Vice Chancellor of DPSRU from 1 Sep 2021. Under his leadership and direction, DPSRU has emerged as a premier center for Pharmaceutical Education and Research in India.

Congratulations on this well-deserved honour.

DPSRU Organized Webinar on Drug Solubilization Using Hot Melt Extrusion

The Department of Pharmaceutics, DPSRU organized a webinar on Drug Solubilization using Hot Melt Extrusion on 20th August 2021. Dr. Nitin Swarnakar who is Scientist III Global Technical Marketing, Pharma Solution was invited as a guest speaker. The webinar started with the brief introduction about the program and all the participants were addressed with the welcome message by Dr. Madhu Gupta. The Director of SPS, Dr. Harvinder Popli graced the occasion with her valuable presence and also addressed the participants and the faculty members with her ideas and thoughts about Drug Solubilization. Dr. Nitin envisioned us about Macrotrends in Solubilization, Amorphous Solid Dispersion, Selection of Excipients, Hot Melt Extrusion etc. It was an informative and knowledgeable session with him. All the participants enthusiastically took part in the questionnaire session and around more than 50 participants has taken part into this webinar.

The program become more knowledgeable when he tells us about his experience with BASF, TesoRx Pharma (Pomona, California). He has 4 US Patents and more than 30 Publications. At last Dr. Madhu Gupta expressed her gratitude and says thanks to Dr. Nitin Swarnakar for his valuable time and for this wonderful webinar.

The webinar was overall the successful event with the guidance and support of the Hon'ble Vice Chancellor Prof. Ramesh K. Goyal, Prof O.P. Shukla Registrar, DPSRU, Prof Harvinder Popli Director SPS, DPSRU, Prof Geeta Aggarwal, Dean Academics, Prof. Rajiv K. Tonk Dean Student Affairs, Dr. Sushma Talegaonkar, Associate Prof, Dr. Minakshi Garg, Associate Prof, Dr. Swaninathan ,Assistant Professor, Dr. Suraj Pal Verma Assistant Professor , Dr. Vijendra Assistant Professor, Dr. Anoop Assistant Professor and the appreciable efforts of the organizing committee.

Institutional News

An Autonomous Status to COP-BELA

Our gratitude to all participants who came despite their busy professional commitments and the existing pandemic fears, to make this a success.

DPU Pharmacy Signs MOU with Ivan Franko National University Ukraine for Research Collaborations

Dr. D.Y. Patil Institute of Pharmaceutical Sciences and Research, Pimpri, Pune and Ivan Franko National University Ukraine signed the international MoU to create a means for cooperative venture between IFNU, Ukraine and DPU Pharmacy to affect the academic and research exchange between faculty and students of the two institutions. With this MoU, both the institutes has scope to improve the research quality through collaborative activities in the areas of Joint research projects, exploring opportunities for faculty and student exchange for research and organization of joint conferences/ symposia/ webinars. This venture involving academic exchange and sharing of research facilities will provide opportunities for the researchers from both the institutes to work at international level. This international collaboration will also open up the new avenues for student internships, post graduate studies, joint publications as well as the IPR sharing.

The MoU release ceremony was conducted through online platform in the presence of Dr. Sohan Chitlange, Principal, DPU Pharmacy, Dr. Vasyl S. Matyichuk, Professor Department of Organic Chemistry, Ivan Franko National University, Lviv, Ukraine; Dr. Asha Thomas, Head Research and Development Cell; Heads of Department and other faculty members.

The institute had established well connect with the research institutions and industries of repute by signing MoU's in diversified areas and is continuously striving for overall development of students. Presently the institute is working with several reputed national and international partners; some of the major collaborators include National Chiayi University, Taiwan; Griffith College, Dublin Ireland; Cognizant Technology Solution Pvt. Ltd; Thinker Technologies; Glaxo-Smithkline; BVG life Sciences; Life Pharmacy Dubai; Indus Biotech Pvt. Ltd., Pune.

The Institute has at its credit AICTE-CII "Best Industry Linked Pharmaceutical Institute Award for 2019 and 2020; AICTE National Level "Utkrusht Sansthan Vishwakarma Award-2020"; In Savitribai Phule Pune University, the institute has become the only college to be ranked in NIRF, among the top 50 colleges in the country for four consecutive years; Savitribai Phule Pune University's Best College Award under professional category, National Board of Accreditation (NBA) for 06 years, The status of 'A' Grade by NAAC, NAAC Mentor institute and also included by various Educational Magazines among the most promising pharmacy institutes in the country. The institute is also recognized under section 2 (f) and 12 (b) from UGC, New Delhi.

Dr. D. Y. Patil Unitech Society's Chairman Hon'ble Dr. P. D. Patil; Vice Chairperson Dr. Bhagyashree Patil and Secretary Dr. Somnath Patil appreciated the efforts of institute and congratulated Principal Dr. Sohan Chitlange, R & D Head Dr. Asha Thomas and Heads of the departments of the institute for this international liaison.

DPSRU celebrates “100 years of Insulin Discovery”

On the occasion of 100 years of Insulin Discovery, expert talk by Prof. Anupam Prakash Director Professor of Dept. of Medicine & Head of Emergency Medicine, Lady Hardinge Medical College and Associated Hospitals, New Delhi was successfully organized by DPSRU, held on 27th July 2021.

Dr. Mukesh Nandave, Associate Professor and Coordinator addressed on “100 years of Insulin discovery and Its Importance and Relevance at DPSRU”, followed by the talk of Prof. Anupam Prakash.

While talking on “Insulin as a Pharmacotherapeutic agent- 100 years Journey, Neither extinct, Nor yet a Fossil” speaker apprised the audience with history and miracles created by the discovery of Insulin. He talked about the effective drug combinations with Insulin for improving disease conditions and correlation of glucose profile with other health conditions like Uric acid profile, Diabetic pregnant women, PCOS, and in Covid-19 condition.

The session was chaired by Prof (Dr.) Shridhar Dwivedi, Senior Consultant Cardiologist & Head, Academics, National Heart Institute, New Delhi. The 1st Professor S.K. Gupta Oration in Clinical Research was also conferred to Dr. Anupam Prakash for his enormous contribution in clinical research and care at the hand of Prof Ramesh K Goyal, Vice Chancellor, DPSRU, New Delhi and Chairperson Prof. Dwivedi. Prof. Anupam Prakash was then honored with Prof S.K. Gupta Oration including citation cash award and memento by Chairperson, Prof. Dwivedi.

The event was conducted offline and in online mode attended by students, research scholars, faculty and BOG members, DPSRU.

The event ended successfully with paying tribute to Nation by singing National Anthem.

DPSRU Signs MoU with All India Institute of Ayurveda Focus on Faculty & Student Exchange, R&D Collaboration

Delhi Pharmaceutical Sciences and Research University (DPSRU) recently signed MoU with All India Institute of Ayurveda (AIIA), an autonomous institute under the Ministry of AYUSH, government of India. This MoU was signed by Professor Ramesh K. Goyal, Vice Chancellor, DPSRU, Dr. OP Shukla, Registrar, DPSRU and Professor Tanuja, Nesari, Director, All India Institute of Ayurveda.

According to Dr. Mukesh Nandave, the chief coordinator of the MoU development, and Associate Professor of Pharmacology at DPSRU, “both institutes will be benefitted to major extent in advancing the Ayurvedic therapies and practices to next level.”

The three-fold purpose of signing this MoU is faculty and student exchange, research and development, and collaborative academic activities.

Under the faculty exchange aspect, the faculty of DPSRU would take lectures at AIIA, wherein the understanding of Ayurveda through the pharmaceutical sciences would enlighten many students. DPSRU, which has added a new course on B. Pharm (Ayurveda) in the upcoming academic year 2021-2022 will take AIIA’s assistance in formulating the course curriculum.

Research aspect will see DPSRU lending its know-how on modern Pharmacology and Pharmacognosy in study and formulations of Ayurvedic formulations and AYUSH drugs. Joint research would also be carried out between the two institutes, funded by external agencies.

The event also witnessed the inauguration of the Integrated Clinical Unit focused on the evaluation of Ayurvedic drugs by modern sciences in patients.

JSS Academy of Higher education and Research (JSSAHER) is ranked in the band of 351- 400 by *Times Higher Education* a global ranking Agency. We are at number 2 in India among the 72 Universities that participated in the rankings. Ahead of us is Indian Institute of Science, Bengaluru. There are only three Institutions from India that are in top 500 and JSSAHER is one among them; and no other deemed, private or government university other than the National Institutes are in the top 500. A big thank you to all our well wishers, peers and collaborators. Along with this recognition comes great responsibility to sustain it. We look forward to your continued support and wishes in all our endeavours.

Dr. B. Suresh, M.Pharm., Ph.D., D.Sc.,
Pro Chancellor
