SOFT SKILL TRAINING

Session-1

REPORT

Attendees: M Pharm, B Pharm and Pharm

DATE:28/8/2017

Time: 9:30 AM-1:30 PM

TOPIC: Effective Leadership, Time Management, Managing Self, Group Case Study & Outcome

The session started with welcoming Prof. Anilaby our Principal Dr. Raman Dang. *Prof Anil* has taken up a unique form of session for all M Pharm students and Staff. She explained about Effective Leadership, Time Management, Managing Self, Group Case Study & Outcome. She emphasized topics like human relationships and described concentrated relationships *with* others.

She made everybody confident in the seminar hall to know their abilities, by asking them to draw the pictures as to who they would like to be. She made everyone understand that they should *never* underestimate themselves under any circumstances, by conducting a small *game i.e., making* building blocks with their left hand, when their eyes are closed. She narrated *how destructive criticism* can bring about desirable changes in the behavior of the *person*. She emphasized teamwork can be done properly with effective communication.

The session helps the students in enhancing their skills while doing teamwork and for *their* effective communication. The entire session rejuvenated the students with lots of hope in their career. At the end of the session Prof. Anila was honored with a memento and certificate by our principal.
