ACTION TAKEN REPORT

Dated 17/07/2019

As approximately 35 per cent of student have expressed concerns over the potential of the curriculum to intergrate with research, the Krupanidhi Research Incubation Cell (KRIC) was requested to provide research assistance to pharmacy students at all levels.

Krupanidhi Research Incubation Cell shall henceforth provide research assistance to all final year UG and PG students to devise academic projects on par with existing industrial standards. KRIC shall also train students on research report writing, sample size calculation and perform minor statistical procedures.

The Director, KRIC was informed about the research requirement of UG and PG pharmacy student towards successful completion of the course and meet employable standards.

ACTION TAKEN REPORT

Dated 17/07/2019

With reference to the analysis of parent feedback in June 2019, the following initiatives were taken to towards concerns in availability of text and reference in material.

1. Library audit was carried out before the commencement of the next academic session to ensure adequate number of text books and reference material available in the college library.
2. Indent was placed for necessary textual material towards procurement to the management of Krupanidhi Group of Institutions.
3. Wherein case, relevant text material is not available in the market for procurement, such as novel developments in herbal drug technology, faculty members of the respective departments were encouraged to author text books in collaboration in standard publishers.
